

## Start a Collection

Rocks, sea glass, arrowheads, stamps, coins, tin soldiers, spark plugs, keys, key chains, buttons, figurines...

Summer is the perfect time to start a collection, just for fun. Choose whatever you want to collect, and display it however you like. It's all up to you! Check out this website to spark some ideas:

Smithsonian Education – IdeaLabs: Amazing Collections

[http://www.smithsonianeducation.org/students/idealabs/amazing\\_collections.html](http://www.smithsonianeducation.org/students/idealabs/amazing_collections.html)

Visit Kids Collecting and explore the riches of the Smithsonian's collections, learn how to start your own collection, and see what kinds of things other kids collect.
